Notice 01 of 2018 • 23 January 2018

TOPIC: India to improve grains certainty for Australian farmers

DISTRIBUTION: GTA Members – primary contact list. Please circulate to all appropriate internal parties.

## **India to improve grains certainty for Australian farmers**

[DeptAgNews – Littleproud Media Release](#)

GTA acknowledges the active engagement of Minister Littleproud and both the Department of Agriculture and Water Resources and Department of Foreign Affairs & Trade on this important grains industry trade issue.

Such improvement in business certainty and confidence is a positive step forward for development of a strong and robust bilateral trade relationship between Australia and India.
