

# GTA MARKET NOTIFICATIONS

Notice 15 of 2018 • 04 October 2018

## **TOPIC: Farm Household Allowance (FHA) Review**

**DISTRIBUTION: GTA Members – primary contact list. Please circulate to all appropriate internal parties.**

### 1. Purpose

The purpose of this Market Notification is to notify industry that consultation has opened for FHA Review.

### 2. FHA Review

The Department of Agriculture and Water Resources is seeking views on the Government's support program to farmers experiencing financial hardship. FHA is a Government program that supports eligible farmers and their partners through long-term planning, training and income support.

The review panel will investigate what is currently working well and areas for improvement in the FHA program. They are interested in hearing from people across the agricultural sector. These include, but are not limited to:

- Farming families, either experiencing hardship or doing well;
- Advisors and support networks such as accountants, agronomists, financial planners, agricultural advisers, stockists, Rural Financial Counsellors, succession planners; and
- Industry and the General Public.

Online consultation closes **02 November 2018**.
