7-8 JUNE 2017
RYDGES
186 EXHIBITION STREET
MELBOURNE

Meeting Market Requirements

BROUGHT TO YOU BY THE NATIONAL WORKING PARTY ON GRAIN PROTECTION (NWPGP)

Sponsorship Prospectus

The NWPGP 2017 Australian Grain Storage and Protection Conference is an open forum for the entire grains industry to review and discuss the latest market requirements relating to chemical regulations and developments in grain storage and protection.

Presenters will cover national and international regulation along with a range of topics including:

- ▶ Market requirements
- ▶ Insect infestation/entomology
- ▶ Pesticide residue requirements/violations
- ▶ Grain protectants
- ▶ Fumigants
- ▶ Physical control methods
- ▶ Application technology
- ▶ Extension
- ▶ Other key research outcomes

THE NWPGP has been meeting annually for over 40 years, however the annual conference, delegate list and industry representation has expanded and evolved significantly in the past few years.

This conference offers a unique opportunity to promote your product or service offering to a highly targeted and engaged industry audience.

Delegate profile

A wide spectrum of the industry is represented at the conference with over 120 delegates in attendance in 2016.

The conference now enjoys significant support from all sectors of the industry from growers, storage operators, end users, traders, research, product and chemical manufacturers and service providers such as fumigators and transport operators.

The program and topics are being expanded in line with this development and in direct response to survey feedback received from previous conference attendees.

Organising bodies

The National Working Party on Grain Protection (NWPGP) is the body responsible for providing management and leadership to industry in the areas of grain storage, chemical use, market requirements and chemical regulations.

The Conference is proudly supported by Grain Trade Australia (GTA). GTA supplies standardised grain trading standards, trade rules, grain contracts and training and development for the Australian grain industry to enable the efficient facilitation of trade across the grain supply chain.

The delegate survey from the 2016 Conference (47% response rate) highlighted:

- ▶ **82%** of delegates have previously attended the conference
- ▶ **96%** agreed the conference was good value for money
- ▶ **98%** agreed the program content was relevant and appropriate
- ▶ **98%** agreed the program met their expectations
- ▶ **99%** would recommend the conference to industry colleagues
- ▶ **100%** would attend the conference again in the future

Marketing and Promotion

The Australian Grain Storage & Protection Conference is directly marketed to a database of over 1000 grains industry professionals. These include past conference delegates and Grain Trade Australia members. Marketing is via:

- ▶ branded emails including full colour sponsor logos
- ▶ a dedicated NWPGP page on the GTA website www.graintrade.org.au/nwpgp
- ▶ social media including Twitter and LinkedIn
- ▶ hard copy flyers highlighting sponsors, distributed at key grain industry events

A full colour Program will be developed again for the 2017 Conference displaying all sponsors and a full delegate list.

Conference registrations will open in early April 2017. Sponsors who confirm ahead of this will receive maximum recognition for your involvement.
