

# GTA MARKET NOTIFICATIONS

Notice No. 9 of 21 - 21 July 2021

TOPIC: The risks of Khapra beetle - watch short information videos from DAWE

*DISTRIBUTION: GTA Members – primary contact list. Please circulate to all appropriate internal parties.*

## 1. Status Update

To support the implementation of our [khapra beetle urgent actions](#), the Department of Agriculture, Water and the Environment has developed two short videos to communicate:

- the risks khapra beetle poses to Australia
- how to identify khapra beetle
- the importance of sea container cleanliness
- how to maintain sea container cleanliness.

## 2. Purpose

The department welcomes you to watch and share the content with your contacts. You can watch the videos here:

[The risks of khapra beetle](#)

[Sea container cleanliness](#)

For more information on the khapra beetle urgent actions, please visit the departments [webpage](#). If you have any questions, please do not hesitate to contact [imports@agriculture.gov.au](mailto:imports@agriculture.gov.au).
