1 Call for Nominations

Grain Trade Australia (GTA) is now calling for 2021/2022 Technical Committee nominations. Applicants will be selected by the GTA Board at a meeting following the Annual General Meeting (AGM) to be held on Tuesday 26th of October 2021.

NOMINATIONS CLOSE FRIDAY OCTOBER 1, 2021

2 Current GTA Committee Members – MUST RE-APPLY

All appointments to the GTA Technical Committees are for one year only, therefore **current members must re-apply** if they wish to be considered for a position on a GTA Technical Committee for 2021/2022.

3 Supporting Documentation

Intending applicants to GTA Technical Committees are advised to consult the following documents on the GTA website prior to submitting their nomination

- [Charter of the Technical Committees](#)
- [GTA Committee Expense Guidelines](#)

4 GTA Technical Committees – General Information

GTA Technical Committees are **skills-based** appointments.

The GTA Board will appoint members based on the applicant's technical competency within the Technical Committee's scope whilst mindful that the Committee should, where possible, have representation from:

- All sectors of the grain supply chain, affected by the decisions of the committee;
- Large and small organisations; and
- All major grain production and trading states.

The scope of each of the Technical Committee can be found at Item 8 below.

The GTA Board relies on the Technical Committee's to consider these and other subsequent issues that may have a potential impact on GTA services to Members, and to advise the Board on appropriate action. Therefore, all nominees should be confident to openly discuss and provide input toward decisions.

GTA Technical Committees meet 4-8 times per year via teleconference. Some Committees may hold in-person meetings during the year (eg: Trading Standards).

Members are responsible for their own telephone call and any travel costs.

GTA Technical Committee Members agree to participate on a Committee for the benefit of all GTA Members. **They do not represent the interests of any one industry sector, private or public organisation.**

5 Committee Vacancies

Nominations are sought for the following GTA Technical Committees:

- Commerce
- Trading Standards
- Trade & Market Access
- Transport, Storage & Ports
- Plant Breeding for Innovation
- Information Technology & Advisory Committee

6 Nominations

Only financial members of GTA can nominate for a Technical Committee position. Nominees must complete and submit each of the attached forms:
