

Member Update

No. 27 of 2023 • 30 August 2023

TOPIC: *Emerging Technology Roadmap*

DISTRIBUTION: *GTA Members – primary contact list. Please circulate to all appropriate internal parties.*

1 Purpose

- The purpose of this Member Update is to provide Members information relating to GTA's [Emerging Technology Roadmap](#)

2 Background

- The role of GTA is to facilitate trade of Australian grain. Continuous improvement is important in trade facilitation including the efficient movement of information and related data through the supply chain amongst its participants.
- To support this objective GTA's Technical Committee the Information Technology Advisory Committee (ITAC) has a focus on the data and transactional areas of the grain industry.

3 Emerging Technology Roadmap

- A key objective for ITAC is assist industry and to provide guidance on emerging technology and industry technology opportunities that will assist industry and Government capitalise on existing and emerging technology opportunities.
- GTA has developed the [Emerging Technology Roadmap](#) as a guidance and reference document and to support alignment of individual business technology direction, design and strategy.
- As technology evolves and is introduced the **Emerging Technology Roadmap** will continue to also evolve and support GTA member's business growth in the increasingly complex supply chain.

4 For further Information
