GRAIN TRADE AUSTRALIA

TESSA BEVILACQUA

Trade Support,
CBH

LOCATION

Claremont, WA

AGE

26

CAREER GOALS

In the next 5-10 years, Tessa aspires to have advanced to a senior leadership role within the grains industry and CBH specifically, leveraging her expertise and experience to drive strategic initiatives and mentor the next generation of professionals. Tessa aims to contribute significantly to her organisation's growth and sustainability while continuously expanding her knowledge and skills to stay at the forefront of industry trends and innovations. Tessa's goal is to make a meaningful impact on the industry and create positive change within the sectors she works in.

EDUCATION

BACHELOR OF COMMERCE

*Major in Business Law
Curtin University*

MASTER OF INTERNATIONAL LAW

University of Western Australia

WORK EXPERIENCE

Tessa has grasped a thorough understanding of the grain industry and gained valuable experience by providing essential support to senior traders in the execution of grain trades.

Tessa's responsibilities encompass the efficient management of logistics and coordination of shipments, ensuring smooth trade operations.

Tessa also plays a crucial role in maintaining meticulous trade records and documentation, analysing market trends and providing relevant data to inform trading decisions.

She collaborates closely with both internal teams and external stakeholders to optimise trade operations and is accustomed to working in a fast-paced environment, where her strong analytical skills and attention to detail are indispensable.

THE IMPORTANCE OF FIVE UNDER 30

Tessa is eager to contribute to Grain Trade Australia's efforts to enhance age and gender diversity. Her approach involves implementing inclusive programs that actively welcome participants from diverse backgrounds, with a particular emphasis on gender and age inclusivity as fundamental GTA values.

Tessa firmly believes that GTA has the potential to strengthen connections and promote diversity and inclusion, ultimately securing a vibrant future for the grain trade industry.
