6. **TREATMENT:** The Storer may at its expense treat the Commodity with chemicals in accordance with industry practice to prevent infestation, disease and/or contamination at all times within applicable levels as determined by industry maximum residue limits unless otherwise specified. The Storer is not required to obtain the Client's approval to treat the Commodity. Following treatment, the Commodity may not be available for a specified period of time. The Storer will regularly inspect the Commodity for the presence of insects. In the event of infestation being detected the Commodity will be treated by the Storer. Where fumigants are applied, it is acknowledged by the Client that the Commodity will not be accessible for discharge for a period of about four weeks. The period will be determined by the reasonable discretion of the Storer.
7. **SHRINKAGE:** The Storer will deduct a shrinkage allowance as specified in Schedule 1 from the first delivery of each load of Commodity received in the Client's name, excluding internal title transfers. Receival fees will be levied against the delivered tonnage. All other charges will be levied against the shrunk tonnage.
8. **DISPATCH:** To remove the Commodity from storage the Client must give the Storer notice as specified in the Notice Period (or two days if no period is specified) in advance, in writing, as to when the Commodity will be removed and method of transport required.

All accrued charges and any costs payable on any account in respect of stored Commodity must be paid by the Client in accordance with the invoice rendered by the Storer. The full amount of an invoice rendered by the Storer must be paid by the Client, or as applicable, within 30 days of the date of that invoice. Payment to be made by telegraphic or bank transfer to our nominated bank account, free of expense to us.
12. **INTEREST:** If any payment is not made on or before the due date for payment, interest shall be payable at the rate selected. If there is no due date for payment, interest shall be payable if there has been an unreasonable delay in payment. Interest payable shall be appropriate to the currency involved. If the amount of interest is not mutually agreed, interest will be payable at a rate of 1.5% per calendar month, calculated daily.
13. **LEVIES AND TAXES:** Any industry, statutory or government levies which are not included in the contract price shall be adjusted for in any related payments. Where a Goods and Services Tax (GST) is applicable to the storage per these terms and conditions, subject to the issuing of a valid tax invoice, the Storer will recover from the Owner an amount on account of GST, such amount to be calculated by multiplying the price for the supply by the prevailing GST rate.
