

# AUSTRALIAN GRAINS INDUSTRY LOGISTICS CONFERENCE

## Evolving and Innovating the Grain Supply Chain

09 & 10 April 2019

Rendezvous Hotel, 328 Flinders Street Melbourne

## Sponsorship Prospectus

The 2019 Australian Grains Industry Logistics Conference is a unique opportunity for the entire grain industry to review and discuss the latest exciting innovations, future opportunities, current industry challenges and market impacts relating to the grain supply chain.

Presenters will cover current and relevant national and international topics including:

- Industry and government strategies for the grain supply chain
- Australia's performance in the export and domestic grain supply chains
- Grain logistics cost structures and economics
- Innovation and the evolution of the Rail and Road industry
- BHC and farm storage trends and future technology
- Evolution of grain protection
- Future trends of Australia's bulk and box export terminals
- Supply Chain Information Technology – the future with Blockchain and other platforms
- Industry Panel – debating and proposing the future
